

Samsung SMART Signage Outdoor Encloser

“Simplify outdoor signage installation with a simple and thin enclosure”

Overview

OHD Series is conveniently and easily installed, designed and operated with a thin and complete all-in-one solution. The package includes ingress protection, anti-reflection technology, vandalism protection and a highly efficient cooling system, all of which are assembled mechanically and perfectly. The system revolutionizes outdoor signage design by eliminating the need for additional air conditioning systems and thick enclosures to accommodate the full display package. The simple OHD Series display enclosure requires no additional parts, so it is virtually simplest and thinnest outdoor signage enclosure in the market.
